Register of People with Significant Control

We have assessed the requirement to maintain a Register of people with Significant Control under a measure introduced within the Small Business, Enterprise and Employment Act 2015.

We have examined the Academy Funding Agreement, Memorandum of Association and Articles of Association. We have reviewed the composition, members and trustees and have determined the company knows or has a reasonable cause to believe that there is no registrable person or registrable relevant legal entity in relation to the company.
